“UNITE HERE! HAS A LONG, PROUD RECORD OF REAL SUPPORT FOR LGBTQ WORKERS,”

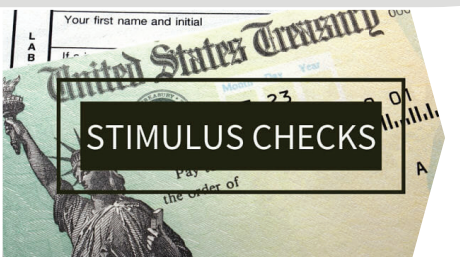

[Cleve Jones, center, with UNITE HERE members]

UNITE HERE! Community and Political Coordinator Cleve Jones wrote in a fundraising commentary published in The Advocate. “Through collective bargaining we negotiate contracts that protect workers from discrimination on the basis of sexual orientation and gender expression—even in states where no such protections exist under law....Today our members need your help.”

DON'T GET SCAMMED!

The Pandemic has brought out the best in us, and also the worst. **Beware** of scams claiming to be the IRS, Social Security or other government agency. **Don't** give out personal or financial information over the phone or on websites unless you are sure about the source. **Beware** of scams that offer free healthcare, test kits, or cures for COVID-19.

WHERE'S MY STIMULUS PAYMENT?

“
WE ARE NOT GOING
TO BE LIKE RATS IN
A LABORATORY

President Taylor responded to Las Vegas Mayor Carolyn Goodman's call to reopen Strip casinos early and “find out the facts afterward.”

“We are not going to be like rats in a laboratory,” Taylor told CNN's Anderson Cooper. “We are human beings...The idea we would be an experiment like a petri dish is beyond disgusting. It's actually immoral.” So far 11 members of Local 226 have died from COVID-19.
