FUNDRAISING and Team/Corporation Work

Members of the **UNITEHERE!** Midwest Joint Board are reaching out to allied organizations and elected officials as part of a large scale fundraising effort. Leaders are calling, emailing, and mailing fundraising requests, support for workers in State Legislatures, pressuring team owners to support members of the **UNITEHERE!** Midwest Joint Board Member's Fund as well as paying workers and covering health care costs for workers.

With over 90% of hospitality workers unemployed, Congress appropriated billions in emergency aid for hotels and casinos to protect the hospitality industry workforce. Now, the industry wants to use that money to pay their banks instead of workers. Tell Congress: Cutting hospitality workers out of relief to protect the companies that laid them off is a national disgrace.

**TELL
CONGRESS:**
**Don't Cut Off
Hospitality
Workers!**
